Grocery Delivery Request & Shopping List

Please complete the grocery list below and provide as much detail as possible for each item, including preferred brand, quantity, size, organic or conventional preference, and any other specifications that are important to you. If you or anyone in your party has food allergies, sensitivities, or dietary restrictions, please let us know so we can shop accordingly.

To ensure we can accommodate your request, please submit your completed grocery list no later than ***one week prior to your arrival date***. Groceries will be delivered and stocked in the home prior to your arrival.

Product Availability & Substitutions
Due to seasonal availability, supply chain disruptions, and the limited selection available in our mountain community, we may not be able to source every item exactly as requested. Our team will make every effort to find the closest suitable substitute unless otherwise noted. If you prefer that we ***do not substitute a particular item, please indicate "No Substitutions"*** next to that item on your list.

Alcohol Requests
If you are requesting alcoholic beverages, please provide a copy of a valid government-issued ID. We are required to verify identification before purchasing alcohol on your behalf.

Fees & Payments
For local grocery shops, a 10% service fee will be added to your grocery bill. For extensive grocery lists that require a special shopping trip to Reno due to the limited availability of certain products in the Tahoe area, a $50/hour shopping fee plus a 10% service charge will be added to your bill.

Requests received within one week of arrival will incur a $25 late processing fee.

Confirmation & Submission
Once completed, please email your grocery list to Concierge@TLUXP.com. After submitting your request, a member of our team will contact you to confirm receipt. Please do not assume your order is being processed until you have received confirmation from us.
